Delegation of Authority

June 11, 2015

Subject: Delegation of Authority

By means of this letter, I, Bruce Freedman, delegate the authority herein described to Brian Skapura as the GSA Agile Delivery Services BPA Project Manager for Pool 1 and Pool 2, in this position Brian will:

- Have full authority and responsibility over the project's methodologies, tools, processes, deliverables, performance, and quality.
- The project manager will have full control over the project schedule and application of team resources as necessary to achieve a high quality and fully compliant set of Agile design and development prototypes.
- The project manager is also responsible for risk management, issue avoidance, and problem escalation to company senior management as needed.

Bruce Freedman
VP of Corporate Development

Date: 6/11/15

Acknowledged and agreed:

Brian Skapura
Chief Information Officer
